International Researcher IDs

ScholarID: 705mbCIAAAAJ

ORCID: 0000-0002-7324-8475

Publons / Web Of Science ResearcherID: CAA-8374-2022

Biography

In 1998-2002, he studied at the Azerbaijan State University of Economics.

In 2002, he graduated from the Faculty of "Commodity Studies" with a specialty of "Food Commodity Studies", and in the same year he entered the same specialty of the Master's Faculty, graduating in 2004.

Since 2005, he has been working as a senior laboratory assistant in the "Food Commodity Studies" department.

In 2013, he became an assistant in the "Expertise of Consumer Goods" department, and since 2015, he has continued his scientific and pedagogical activities as a teacher. In 2022, he was elected as the senior teacher of the "Engineering and Applied Sciences" department. In 2022, he defended his dissertation on the topic "Investigation of the possibilities of using legumes in the production of bakery products" in the specialty "Food Technology" with the code 3309.01 and received the degree of Doctor of Philosophy in Technology.

In accordance with the modern training program organized by UNEC, he successfully completed the trainings conducted by the faculty of leading universities in Turkey and was awarded a certificate in each subject.

1. General ecology (trainer: Prof. Dr. Ali Gül of Gazi University, Turkey)
2. Climate change and global warming (trainer: Dr. (PhD) Aytac Perihan Akan of Hacettepe University, Turkey);
3. Biological processes in ecological engineering (trainer: Prof. Dr. Serdar Aydın of Istanbul University, Turkey)
4. Environmental impact assessment (trainer: Prof. Dr. Beril Salman Akin of Gazi University, Turkey);
5. Physical foundations of remote sensing (instructor: Prof. Dr. Fatih Aydın, Karabük University, Turkey);
6. Hydrology (instructor: Assoc. Prof. Dr. Ayla Bilgin, Artvin Çoruh University)
7. Integrated water resources management (instructor: Assoc. Prof. Dr. Ayla Bilgin, Artvin Çoruh University);

He has written more than 40 scientific works, including 10 subject programs and 1 textbook.

He is married and has two children.

Certificates, Courses and Trainings

Environment and Sustainability, Hidrologiya, UNEC, 2020

Research Areas

Engineering and Technology

Published journal articles indexed by SCI, SSCI, and AHCI

- I. **THE STUDY OF ORGANOLEPTIC INDICATORS OF BREAD PRODUCTS ENRICHED WITH CHICKPEA AND LENTIL FLOURS**
 , Mustafayeva K.
 SYLWAN, vol.164, no.2, pp.51-60, 2020 (SCI-Expanded)
